**Southman Gleaners**

came about from both a challenge and inspiration. A gentleman from La Crete, AB operating Peace Country Gleaners, challenged George Wieler to help the hungry by doing the same. George and some of his colleagues accepted the challenge, and Southman Gleaners was born. Our purpose is to gather and process agricultural gleanings and use them to create products to feed the hungry. We take our Inspiration from Leviticus 23:22, "And when ye reap the harvest of your land, thou shalt not make clean riddance of the corners of thy field when thou reapest, neither shalt thou gather any Gleaning of thy Harvest, thou shalt leave them unto the poor, and to the Stranger: I am the Lord your God."

**Mission Statement:**

To gather and process Gleanings of Agricultural products so that value may be added to enable the feeding of hungry people. Our product of dried vegetable mix will be distributed through Christian Mission Organizations.

## Why give to this project?

We are excited to establish Southman Gleaners in the Winkler area of Manitoba because of the abundant vegetable supply, the large number of eager volunteers, and many generous people, including businesses and farmers. Our plans do require significant investment to fulfill our mission to help the hungry through a gleaning process, but we are encouraged by those already committed to this project. If you are concerned for the marginalized and poor, we would love to have your help. We invite you to join us in our efforts, as your generosity and interest in providing for the hungry is critical to us seeing this endeavor come to fruition

There are presently 2 Gleaner organizations in Alberta, 3 in BC, 3 in Ontario

## Progress Report:

With the many challenges involved with setting up a Program of this scale, we are happy to report that slow but steady progress has been made. Numerous individuals/ Businesses have come alongside to contribute both materially and financially. We are grateful.

Some of our achievements are that the old barn is gone, the area is landscaped, a dirty water holding Tank has been installed, and our Facility has been upgraded with better lighting, plumbing, drainage, and electrical. Equipment that was donated include an Electric Forklift/ Charger, Vegetable Washer, Hot water pressure Washer, etc.

Items that were purchased with generously donated Funds include a used Dicer, Tables and a triple Sink, and our Dehydrator that has arrived.

### Items that we need Funds for are:

32 ft Stainless Steel Conveyor	---	\$ 20,000
53 ft insulated Van	--	\$ 7000
Truck for produce gathering	---	\$ 40,000
Major Hookups for Dehydrator	--	\$ 30,000
Packaging Equipment /Bags	--	\$ 10,000
Produce Handling Bins	---	\$ 10,000
Monthly operating Expenses	--	\$ 8000
Property/ Shop rent /month	--	\$ 2500
Operating salaries /month	--	\$ ???

Several Christian Humanitarian Organizations are currently waiting for production to start so that Soup Mix from us can be supplied to needy people in Ukraine, Cuba, and elsewhere.

## SOUTHMAN GLEANERS INC.

The purpose of Gleaners is to gather, process, and dehydrate different foods, making our finished product available to Christian Mission Organizations for distribution. Soup mixes distributed by them to hungry, needy people, will enable them to work, thereby reducing poverty.

Gleaners will select Christian Organizations who have people on the ground to ensure proper distribution, and are involved with spreading the Word of God.
